From: Ecclesiastical Private Trust – Jonathan Daniel Clements, Living Executor

Date: July 21, 2025

RE: LAWFUL NOTICE OF TRESPASS, INTERFERENCE, AND CONDITIONAL DEFAULT

Let it be known to all parties, agents, or assigns acting on behalf of X Corporation:

This lawful Notice is hereby issued as final warning and opportunity for remedy regarding acts of trespass, censorship, and unauthorized interference with the sacred, non-commercial, ecclesiastical trust account(s) and expression of the Living Man, Jonathan Daniel Clements.

This Trust operates under Divine Law, ecclesiastical jurisdiction, and holds international standing through prior recorded filings, including —but not limited to—irrevocable private trust declarations, UCC protections, ecclesiastical notices of status, and lawful instruments affirmed by sacred appointment.

1. Any restriction, flagging, suspension, account interference, content labeling, or control exercised over the said trust account is an

unlawful trespass and breach of international human rights and natural law.

2. The Trust has not entered into any commercial contract with X Corporation that nullifies its sovereign standing, nor has it waived its rights or consented to corporate policy supremacy.

3. The Living Man has already provided public and private notice to all relevant agencies, and this notice acts as an official ecclesiastical and legal warning to CEASE AND DESIST immediately from further violations.

Conditional Default: Should any further act of censorship, account restriction, or attempted commercial jurisdiction be enforced upon this Trust or its Executor, X Corporation and its agents will be declared in Default, and all associated assets, authority, and assumed rights will be subject to ecclesiastical dissolution into the Private Trust Estate.

This action will be taken with no further warning or obligation for remedy.

This notice is issued not in vengeance, but out of love—for the restoration of truth, for the voice of all mankind, and for the healing of this world under Divine Authority.

Let all parties be advised: the Trust is sealed, irrevocable, and now stands in full ecclesiastical authority and sacred jurisdiction.

By Sacred Appointment and Authority,

Jonathan Daniel Clements
